UNIVERSAL STATES INFORMATION AGENCY

Amendment to Exchange-Visitor Skills List

SUMMARY: Pursuant to the provisions of section 212(e) of the Immigration and Nationality Act, as amended (8 U.S.C. 1182(e)), and 22 CFR 41.65(b), the Secretary of State designated on April 25, 1972, and revised on February 10, 1978, a list of fields of specialized knowledge or skills (referred to as the Exchange-Visitor Skills List) and those countries which clearly require the services of persons engaged in one or more of such fields. Any alien who was a national or resident of one of those countries and obtained an exchange-visitor visa and/or became a participant in an Exchange-Visitor Program involving a designated field of specialized knowledge or skill after the effective date of those public notices was subject to the 2-year foreign residence (home-county physical presence) requirement of section 212(e) of said Immigration and Nationality Act as provided by said section and 22 CFR 41.65(b).

Pursuant to the provisions of Reorganization Plan No. 2 of 1977, section 217 of the United States Information Agency Authorization Act of August 24, 1982 (Pub. L. 97–241) and Executive Orders Nos. 12038 of March 27, 1978 and 12388 of October 14, 1982, the Director, United States Information Agency, hereby further revises the 1972 Exchange-Visitor Skills List, as revised in 1978. The list which follows reflects an increase in the number of groups of designated fields of specialized knowledge or skills, as well as the deletion of Cambodia, Iran and Vietnam, and should be examined carefully and used in conjunction with the two prior existing lists. An extensive listing applicable to exchange visitors from the People's Republic of China, has been added to the list. There is a skills list for Afghanistan but the application of that list is suspended indefinitely.

DATES: In order to provide time for the dissemination of this list to Foreign Service posts abroad and to interested persons and organizations in the United States, the designations indicated below shall become effective thirty (30) days after publication in the Federal Register. Exchange visitors who entered the country prior to said effective date shall continue to be governed by the 1972 list, as amended in 1978. With regard to exchange visitors from Cambodia, Iran and Vietnam, this notice shall be retroactive, and exchange visitors from these countries who were formerly subject to the residence requirements pursuant to the skills list shall be so no longer.

ADDRESS: Comments and requests for further information should be addressed to: Richard L. Fruchterman, Exchange Visitor Facilitative Services Staff, Office of the General Counsel and Congressional Liaison, USIA, Suite 700, 301-4th Street, S.W., Washington, D.C. 20547. Telephone (202) 485–7870.

Revised Skills

Group (1)

Fields in the Administration of Public or Public-Oriented Affairs:

1A. Public Administration (including, but not limited to: City Planning and Public Health)
1B. Public Social Administration (including, but not limited to: Welfare, Dietetics, Nutrition, Family Planning and Public Health)
1C. Public Social Services
1D. Sanitation
1E. Drug Abuse and Narcotics Control
1F. International Health
1G. Tourism and Travel
1H. Law Enforcement and Corrections (including, but not limited to the Administration of Justice)
1I. Parks and Recreation Management (including, but not limited to Wild Life Management)
1J. Primary School Administration
1K. Secondary School Administration
1L. College, University and Higher Education Administration
1M. Technical or Vocational School Administration
1N. Hospital Administration
1O. Labor Union Administration
Group (2)

Fields in the Medical Profession:

2A. General Practice of Medicine (including Osteopaths who also practice medicine)
2B. Recognized Medical Specializations (including, but not limited to: Anesthesiology, Audiology, Dermatology, Embryology, Forensic Medicine, Hematology, Immunology, Internal Medicine, Neurological Surgery, Obstetrics and Gynecology, Ophthalmology, Orthopedic Surgery, Otolaryngology, Pathology, Pediatrics, Pharmacology, and Pharmacists. Physical Medicine and Rehabilitation, Physiology, Plastic Surgery, Preventive Medicine, Proctology, Psychiatry and Neurology, Radiology, Speech Pathology, Sports Medicine, Surgery: Thoracic Surgery, Toxicology, Urology and Virology)
2C. Veterinary Medicine
2D. Emergency Medicine
2E. Nuclear Medicine
2F. Geriatrics
2G. Nursing (including, but not limited to: registered nurses, practical nurses, physician's receptionists and medical records clerks)
2H. Medical Instruments and Technology
2I. Dentistry
2J. Dental Technology
2K. Optometry
2L. Chiropractic and Osteopathy (not including osteopathic physicians who also practice medicine)
2M. Medical Cybernetics
2N. All Therapies, Prosthetics and Plating (except Medicine, Osteopathy or Osteopathic Medicine, Nursing, Dentistry, Chiropractic and Optometry)
2O. Medical Statistics and Documentation
2P. Cancer Research
2Q. Medical Photography
2R. Environmental Health

Group (3)

Fields in the Natural Sciences and Mathematics:

3A. Chemistry (including all branches and specialties in Chemistry, except in Pharmacy and Chemical Engineering)
3B. Life Sciences (including, but not limited to: Pharmacy and Biology)
3C. Study of Drugs and Allied Sciences
3D. Physics (including physical chemists, metallurgists and all branches and specialties in Physics)
3E. Genetics
3F. Mathematics
3G. Laboratory Technology (including, but not limited to physical and chemistry laboratory technicians)
3H. Metal Fabrication (including, but not limited to skilled metal craftsmen)
3I. Atmospheric-Hydrospheic

Group (4)

Fields in Engineering and Related Professions:

4A. Aerospace Engineering
4B. Cartography
4C. Chemical Engineering
4D. Civil Engineering (including Airport Engineering)
4E. Communication Engineering
4F. Computer Engineering and Technology
4G. Electrical Engineering
4H. Electronics Engineering (including Radio Engineering)
4I. Energy Engineering and Technology (but not including Petroleum and Natural Gas Engineering and Technology)
4J. Genetic and Biomedical Engineering
4K. Industrial Engineering
4L. Marine and Aeronautical Engineering and Technology (including, but not limited to: marine and flight engineers)
4M. Materials Engineering and Sciences (including, but not limited to: textiles, plastics, wood, paper and metal, but not including Metal Fabrication)
4N. Mechanical Engineering (including, but not limited to: systems, safety, and production engineers, and including Automatic Data Processing)
4O. Mining and Lumbering Engineering and Technology
4P. Navigation and Transportation Engineering
4Q. Optical Engineering (including, but not limited to: light and sound technology)
4R. Petroleum and Natural Gas Engineering and Technology
4S. Printing and Photographic Engineering and Technology
4T. Surveying (including Oceanography)

Group (5)

Fields in Computer Science and Related Professions:

5A. Computer Science
5B. Information Science and Systems Analysis
5C. Data Processing (including, but not limited to the use of data in analyzing census financial planning and feasibility studies)
5D. Computer Programming
5E. Computer Maintenance Technologies

Group (6)

Group (7)

Fields in Education:

7A. Teaching of Religious Education
7B. Educational Testing, Evaluation and Measurement
7C. Primary School Teaching (including, but not limited to: Kindergartens and Nursery Schools)
7D. Secondary School Teaching (including, but not limited to: Remedial Teaching and Teaching of
English as a Foreign Language
7F. Vocational and Technical School Teaching
7F. College and University Teaching in Natural Sciences, Mathematics, Engineering and technology (except Agriculture)
7G. College and University Teaching of Social Sciences, Liberal Arts and Literature (including Foreign Language Education)
7H. College and University Teaching of Education
7I. College and University Teaching of Business
7J. Agricultural School Teaching
7K. Education of the Physically Handicapped (including Education of the Mentally Retarded and Emotionally Disturbed)
7L. Education of Exceptional Children
7M. Physical Education and Recreation (including, but not limited to Coaching)
7N. Teaching in Medical Schools (including, but not limited to lecturers)
7O. Teaching in Law Schools (including, but not limited to lecturers)
7P. Career Guidance and Counselling

Group (8)
Fields in Communication, Transport, and Construction Professions and Skills:
8A. Journalism (including, but not limited to editors and reporters and including text-book writers, interpreters and translators)
8B. Communication Media (including Television and Film)
8C. Electrical Communication Technology
8D. Radio Operation
8E. Airplane Piloting (including, but not limited to Airline Piloting)
8F. Merchant Marine
8G. Architecture (including marine Architecture)
8H. Construction (including, but not limited to builders, but including skilled and unskilled laborers)
8I. Construction-Project Management
8J. Drafting
8K. Skilled Operation of Construction Machines

Group (9)
Fields in Business:
9A. Industrial and Business Administration and Management (including, but not limited to programmers), and Project Evaluation
9B. International Business and Commerce
9C. Industrial Organization
9D. Labor and Industrial Relations
9E. Economic Development and Planning (including Rural Development)
9F. Economic Information Analysis (including, but not limited to Management Studies)
9G. Accounting
9H. Cybernetic Technology
9I. Statistics
9J. Insurance (including actuaries)
9K. Administration of Financial Institutions (including, but not limited to: Savings and Loan Organizations and Credit Unions)
9L. Financial Planning
9M. Operations Research
9N. Banking
9O. Farm Management and Administration
9P. Hotel and Motel Management

Group (10)
Field of Library Science:
10A. Library Science (including, but not limited to Electric Data Storage and Retrieval)

Afghanistan

Group (1)
1A. Public Administration
1B. Public Social Administration
1J. Primary School Administration
1K. Secondary School Administration
1M. Technical or vocational School Administration
1N. Hospital Administration

Group (2)
2A. General Practice of Medicine
2B. Recognized Medical Specializations
2C. Nursing
2H. Medical Technology
2I. Dentistry
2J. Dental Technology
2K. Optometry
2N. All Therapies, Prosthetics and Healing

Group (3)
All fields listed in Part I.

Group (4)
4D. Civil Engineering
4G. Electrical Engineering
4H. Electronic Engineering
4N. Mechanical Engineering
4O. Mining and Lumbering Engineering and Technology

Group (5)
5A. Chemistry
5B. Life Sciences
5D. Physics
5F. Mathematics
5G. Laboratory Technology
5H. Metal fabrication
5K. Repair and Maintenance Technology
5L. Agriculture and Agronomy
5O. Forestry
5Q. Geology
5R. Hydrology
5T. Desalination
